SMALL GROUPS KICK-OFF

We believe church is more than just a weekend service.

People are truly engaged when they are doing life in community with others and connecting in Christ-centered relationships. Our small groups are now open for fall!

This is a list of open small groups and leader contact information so you can get in touch with the leader of the group you choose. There are groups for every stage of life, so this is a great place to start. Ministry leaders are in the Commons, Foyer and Café today to help you get connected to a group! For more information and to sign up online, visit **TheBayouChurch.org/groups.**

PARENTS!

If you're interested in learning more about small groups for your student (middle school or high school), see the back of the document or visit **TheBayouChurch.org/StudentGroups.**

Celebrate Recovery meets every Monday starting at 6:30 pm in the Café venue. In CR, we discover and heal from the hurts, habits and hang-ups that keep us from experiencing God and living well with others. This biblical program is based on the words of Jesus and ministers to the whole person from a psychological, emotional, intellectual and spiritual perspective.
