

Ministry Overview

Sharing the love of Jesus with kids in a captivating and engaging way is what The Bayou Kids ministry is all about. The members of this team value the fact that all kids are on a spiritual journey, regardless of their state of development. We believe that the purpose of our ministry is to work in partnership with parents as their kids build a relationship with Jesus and others and we are committed to helping them discover who Christ is and how He has uniquely called them to serve others. Whether your gift is welcoming guests, assisting behind the scenes, teaching or simply engaging a kid in conversation, this ministry may be for you. For the safety of our kids and team members, we require a background check before serving with The Bayou Kids.

Greeter/Check-in Facilitator:

We want kids and their parents to experience personal value and a warm welcome in The Bayou Kids ministry area, and our check-in stations are no different. Team members help check kids in, print name tags, register new guests and answer any questions parents may have.

Worship Team:

The Worship Team is responsible for leading the musical aspect of our worship times through singing, dancing and song motions as well as generating excitement with an enthusiastic stage presence.

Tech Team:

The Tech Team works with other leaders to help create the ambiance for the service by working with sound, lighting, videos and computers. It's a great position for those who like to serve in the background.

Small Group Mentor:

Mentors lead and assist small group discussion and activity sessions following the large group worship time. They develop relationships and actively participate with the kids during worship and large group teaching times.
