

Reading Plan OLD AND NEW TESTAMENT (ENTIRE BIBLE)

This reading plan covers the entire Bible, reading selections from both Old and New Testaments in tandem. It is the most challenging of reading plans listed here, requiring about 4 chapters per day of reading. This reading plan allows the reader to see relationships between books more easily, since they are read closely together. Groups who choose this plan are advised to journal on a verse from any one of the chapters each day (not all of them).
