

All Authority

Authority Issues, Part 5

September 6, 2026

Discussion Questions:

1. What area of your life would you prefer having total control over? (Is it finances, a relationship, the way your living room looks, or something else?)
2. Read Matthew 28:16-20. How does knowing Jesus has all authority give you confidence to live on this mission?
3. Who has God placed in your life that needs to hear about Jesus?
4. What fears keep you from living boldly as Christ's ambassador?
5. How can you use the authority and influence God has given you to make disciples?
6. If Jesus has all authority, what is one area of your life where you need to obey Him immediately?
