

# The Relationship Question

## Better Decisions, Fewer Regrets – Part 6

October 13, 2024

### Discussion Questions:

1. What aspect of love (Patience, Positivity, Peace, Principle, Perseverance) do you find most challenging in your relationships? Why? Reference 1 Corinthians 13:4-7.
2. Think of a recent situation where you could have shown more patience or kindness. How might responding with love have changed the outcome?
3. When it comes to forgiving someone or letting go of past hurts, how does love challenge us to persevere and protect our hearts? What does love require of you in this area?
4. How can you practically apply "What does love require of me?" this week—whether with a friend, family member, or coworker? What step will you take to live out this love?
