

# Christmas is So Much More

December 21, 2025

## Discussion Questions:

1. Which part of Sunday's message stood out to you the most? Why?
2. How would you share that takeaway with a friend who did not hear the sermon?
3. How does this insight apply to your daily life and/or experiences?
4. Consider a step forward you can take in this area of your life. Do you feel convicted to try anything new or eliminate anything for this season?
