

# The Holy Spirit Empowers

Holy Spirit - Week 4

February 15, 2026

## Discussion Questions:

1. When you hear the word “power” in a spiritual sense, what do you think of?
2. Read Acts 1:8. It connects power to purpose. Why do you think God gives power before He gives platforms?
3. Read Acts 3:1-10. Peter notices a moment before he experiences a miracle. How often do you think we miss Spirit-led moments?
4. What’s the difference between trying to do things for God versus depending on the Spirit to work through you?
5. Where do you feel most aware of your weakness right now—and how could that actually be an invitation for God’s power?
6. Read Matthew 9:36-38. Have you ever sensed a nudge to pray, give, speak, or act, but hesitated? What held you back?
7. What would it look like for you to ask the Spirit for one assignment each day this week?
