How To Church

August 2, 2026

Discussion Questions:

1. When you hear the term “healthy church,” what words or characteristics come to mind? Have you ever been part of a church community that helped you grow spiritually? What aspects made it impactful?
2. The sermon contrasted a consumer mindset (“What can the church do for me?”) with a devoted mindset (“How can I honor God and serve others?”). Read Acts 2:42 aloud. Where else do you see these mindsets showing up in our culture? How can they subtly influence our faith?
3. Read Romans 12:4-5. What does it mean when Paul writes “we all belong to each other”? What have you learned through being connected to other believers—both in the good moments and the difficult ones?
4. Pastor Sean asked us to consider how we are each showing up by examining our posture, expectations, worship, generosity, and willingness to serve. Which of those areas challenges you the most currently? Why?
5. During the message, Pastor Sean reminded us that God's desire isn't for us to simply stay busy, but to live fruitful lives. What is the difference between those two? How can we evaluate whether our lives are producing fruit for God's Kingdom rather than simply filling our schedules?
6. Read Psalm 116:12-14 out loud. What is one specific thing God has done in your life recently that you can celebrate today? To take it a step further, what is one practical way you can express your gratitude to God this week—not just with words, but through your actions?
