

# A Life Rebuilt on Trust

## Make a Difference, Part 1

March 22, 2026

### Discussion Questions:

1. What is something that, if you were asked to share it, would make you hesitate for a moment? Maybe it's your time, a physical item, or a resource. Why do you think that is your natural response?
2. Who is someone in your life that you trust a great deal? Why do you trust that person?
3. Pastor Sean spoke on stage with Moon Griffon about generosity and trusting the Lord. What stuck out to you most about their conversation?
4. Discuss the idea of living with a posture of generosity instead of a posture of control—also called “open-handed living.” How would you describe the connection between generosity and trust?
5. It can be easy to focus on a dollar amount when it comes to giving. Many households with one working adult may wonder if their gift makes an impact at all. Read Mark 12:41–44. How does this example challenge our mindset about giving?
6. Read Matthew 6:26. Pastor Sean and Moon talked about the way trust is built over time. What is one step you can take to trust God right now, where you haven't been? What's the best that could happen?
