

Love vs. Knowledge

Mature - Part 4

October 26, 2025

Discussion Questions:

1. Read James 2:14–26. Why do you think James calls “faith without works” dead? What are some modern examples of talking faith versus walking faith in the church today?
2. Read Luke 7:36–38. The woman’s love was visible, messy, and emotional. Why do you think vulnerability is so hard for religious people?
3. Simon knew about Jesus, but the woman experienced Him. What’s the difference between inviting Jesus into your house and welcoming Him into your heart? Where have you been polite with Jesus when He’s asking for your whole heart?
4. Pastor Griff said, “We can stare at people’s sin so long that we stop seeing their soul.” When are you most tempted to judge or label others like Simon did? What would it look like for grace to rewrite how you see people?
5. Jesus said, “Her many sins have been forgiven; that’s why she loved much.” How does remembering your own forgiveness change the way you treat difficult people?
6. Look at the 5 S’s (Slow Down, Show Up, Speak Life, Serve Someone, Stay Teachable). Which one do you sense the Holy Spirit highlighting for you this week? What’s one tangible step you can take to live out love that moves?
