

# Gratitude as Worship

Standalone Sermon

November 24, 2024

## Discussion Questions:

1. How do you see gratitude as an act of worship in your daily life?
2. How has gratitude helped you worship God even in difficult circumstances? Can you share an example?
3. What difference does it make when you start your prayers with thanksgiving instead of requests?
4. Why is it important to express gratitude publicly, like the leper in Luke 17:15-16? How could sharing your testimony inspire others?
