Discussion Questions:

1. What are some types of individuals or causes that you love to support by donating your resources and time? How is giving to others personally life-giving?
2. Why might we have feelings of frustration when we're asked to give something up, whether it's our time or resources? Why is it important to bring your questions and frustration to God and not just talk about them with others? How can you submit those feelings to God and allow it to become a moment of being more like Jesus through your action of surrender?
3. Read Malachi 3:10. Do you ever look around on a Sunday morning and realize all that God is doing and that He has called you to play a part in making it all happen?
4. Read 2 Corinthians 9:11-13. Has someone else's generosity increased your faith? Share the lesson that you learned with the group.
