Why We Are Here, Part 1

September 13, 2026

Discussion Questions:

1. When you hear the phrase “knowing God,” what differences have you encountered between knowing about God and actually knowing Him personally?
2. Jesus defines eternal life as knowing God in John 17:3. Read this scripture out loud. How does that change or expand the way you think about the purpose of Christianity?
3. Pastor Sean mentioned different reasons people go to church (curiosity about God, seeking community, finding purpose). What initially brought you to The Bayou? What made you stick around?
4. What has helped you grow closest to God in previous seasons of your life?
5. What currently competes most for your attention and affection for God?
6. What is one intentional step you can take this week to pursue a deeper relationship with God?
