Discussion Questions:

1. Who is someone God has used to strengthen your faith? What impact did they have on you?
2. Pastor Sean talked about the dangers of isolation. Why do you think it's possible to be surrounded by people but still live isolated? Have you ever experienced or witnessed this?
3. Read Ecclesiastes 4:9–10. What tends to make vulnerability difficult? What helps create an environment where people feel safe enough to be honest?
4. Scripture tells us to carry one another's burdens in Galatians 6:2. What does that look like practically in everyday life?
5. What's the difference between simply attending church and actually belonging to a church family?
6. Where is God asking you to take a next step in community? Is it being known, asking for help, encouraging someone, serving, joining a group, or something else?
