

WHAT IS NEXT?

NEXT is a student conference for Middle School and High School students from all over the state of Louisiana. We partner with churches and organizations all over the state to impact students' and help them know what is NEXT! Students will have the opportunity to become empowered and effective; to be stretched to think creatively as a problem-solver; and strengthened in their relationship with Jesus. NEXT is designed to help students take the NEXT step in their faith journey. To register for NEXT, go to www.thebayouchurch.org/next.

WHY NEXT?

The greatest future leaders are often not aware of their current leadership potential. So, we want students to grow their leadership skills by being a part of Church Ministry and influencing others through their relationship with Jesus. They will obtain knowledge, wisdom, understanding, and practical steps from professors in PhD Programs to practitioners in their fields of expertise. Our vision is to see students accept Christ, get connected, be empowered, and serve with humility.
