Discussion Questions:

- 1. Read Ephesians 4:1-3. What does Paul beg us to do as a response for all that God has done for us? What are some specific present day examples of ways we can safeguard unity in the church?**

- 2. Read Ephesians 4:11-13. With these verses in mind, why is it important to see the church as a body of believers rather than a place that we worship? As a disciple of Jesus, what are some of our responsibilities?**

- 3. How is the body of Christ more effective in reaching the lost and building up the church when we all use our individual gifts to serve and make a difference?**

- 4. Read Ephesians 4:13-15. What are the outcomes Paul describes in these verses when we take ownership of ministering to and serving people within the church?**
