

One-Year Decades Anniversary

The Bayou Chazown – Part 4

March 26, 2023

Discussion Questions:

1. What challenges and opportunities have you experienced over the past year as you've stepped out in faith to participate in Decades?
2. Read Philemon 1:4-5. Who is someone you thank God for because the way they put their faith into action has encouraged or impacted you? In what way was their faith expressed? What are some specific ways you can grow in demonstrating your faith?
3. Read Philemon 1:6. How does growing in your understanding of who Christ is and experiencing a relationship with Him affect the way that your faith is displayed through generosity?
4. Are you currently in a situation like Philemon where you need to forgive and show kindness to someone who has wronged you? Or like Onesimus, do you need to reconcile a relationship with someone? How has reading the book of Philemon challenged you to grow in this area?
