Discussion Questions:

1. What stood out to you most from Baptism Sunday? Was there a moment, story, or part of the message that stuck with you?

2. Read Romans 6:4. The message described baptism as a funeral followed by a resurrection. What does it look like for someone to leave their old life behind and begin living a new life in Christ?

3. The message reminded us that baptism is the starting line, not the finish line. Why is it important to remember that following Jesus is a lifelong journey of growth? How have you seen God changing you since you began following Him?

4. The sermon talked about several reasons people hesitate to be baptized, such as fear, embarrassment, or feeling like they aren't good enough. Why do you think it can be difficult to take a step of faith, even when we know what God is calling us to do?

5. Read Matthew 28:19. Jesus commanded His followers to make disciples and baptize them. Why do you think baptism is an important part of following Jesus, and how does it publicly communicate our faith to others?

6. Read Acts 22:16. The verse asks, "What are you waiting for?" Why do you think we sometimes put off steps of obedience to God? What can help us move forward in faith instead of letting fear or hesitation hold us back?

7. How can we encourage one another to keep taking steps of faith? What is one practical way you can support someone in their walk with Jesus this week?
