Discussion Questions:

1. God is _____. How would you fill in this blank? Review the very first quote of the sermon. “What comes into our minds when we think about God is the most important thing about us.”
2. Read John 3:16. What does this verse say about the volume of God’s love?
3. How comforted do you feel knowing God’s relentless love for you never ends? How CAN it bring you comfort?
4. Spend time reading Romans 8:31-39 out loud together as a small group, in various translations, and let Scripture speak for itself.
