March 10, 2024

Discussion Questions:

1. Read Hebrews 11:6. Discuss ways that you were challenged personally and stepped out in faith during Decades. Looking back over the past two years, how has your faith grown?
2. Read Psalm 115:1. Have you given God glory for what He has done in your life over the past two years? If so, how?
3. Read 2 Corinthians 5:19-20. What feelings come up when you think about the reconciliation that we're able to have with God? How have you seen God use His people and this place to allow others to experience that reconciliation?
4. Share an example in one of the Decades target areas (Ongoing Ministry, Make A Difference, Building Initiative) where you saw or experienced the impact of God's faithfulness through people's generosity.
