**Celebrating Decades – Part 2**

**Discussion Questions:**

1. Who are the people who have gone before you in your faith that you are now “standing on their shoulders”? What did that look like?
2. Read Psalm 78:4-7. How are you intentionally living to shape the future? Who will be standing on your shoulders?
3. How is your faith different now than when Decades first started? Knowing what God just accomplished through Decades, how can you use that reminder of His faithfulness to give you hope and courage in what He’s calling you to next?
4. What is God calling you to do in your life moving forward that might be hard or uncomfortable but you know that He will be faithful and always with you?
