1. Read John 3:1-3. Here we learned from Nicodemus' interaction with Jesus that: status doesn't make you a believer, religion doesn't make you a believer, and knowledge alone doesn't make you a believer. Which of these three statements resonates with you the most? Why?
2. Nicodemus chose to speak privately with Jesus. Why do you think that he did this privately? What benefits have you seen in your own life from speaking with God privately?
3. Read John 3:17. What has been your personal experience in understanding why God sent His Son, Jesus? Was it more about salvation or more about condemnation?
4. Transformation is an important part of your relationship with God. In what area(s) of your life have you seen a significant amount of transformation?
