Discussion Questions:

1. Many Americans have an unhealthy view of money even though God wants something so different! Imagine a life where money was a tool and not a burden, a life where you met and accomplished some big financial goals. What opportunities and possibilities exist when you control your money instead of your money controlling you?
2. Pastor Sean mentioned our current goals for sharing God's love with more people across Acadiana. Has your life been transformed spiritually by God's work through a local church? Reflect on how you have been impacted and how the generosity of others has made a difference in your life.
3. In 2 Corinthians Paul tells of the generosity of the people in Macedonia. He says they actually begged to be allowed to share a gift with the believers in Jerusalem. Has there been a time when you went above and beyond to bless someone out of love for them? Have you ever been on the receiving end of a blessing like that?
4. Read Malachi 3:10-11. This Scripture is giving you permission to test God!
“... and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it.” Share with your group how you've experienced His blessings when you've given God your first and your best. What impact has that had on your faith?
