How To Get What You Really Want, Pt 2

August 21, 2022

Discussion Questions:

1. Last week we talked about the difference between what we want and what we really want. Briefly remind your group what it is you really want.
2. Read James 1:14 aloud. What desire keeps dragging you away from what you really want? (It's hard to be vulnerable, but be honest with your group!)
3. Read James 1:15-16 as a group. How long do you plan to let what you naturally desire drag you away from what you ultimately want?
4. Read Romans 6:14 aloud as a group. How does knowing that we are under God's grace impact your mindset on your ability to get what you really want?
