

Sanctification

Foundations – Part 3

November 3, 2024

Discussion Questions:

1. What does sanctification mean to you, and how does “long obedience” connect to becoming more like Jesus?
2. In what areas of your life is God calling you to a deeper surrender for the sake of spiritual growth?
3. What role does community play in your journey of becoming more like Christ? Who encourages you, and how do you support others?
4. What small, consistent steps could you commit to this week to grow in Christ, even if you don't see immediate results?
