New Endings: Making Way for What's Next

January 5, 2025

Discussion Questions:

1. This Sunday Pastor Sean started a new series called *New Endings: Making Way for What's Next*. Before we jump in, how do you tend to think of endings—positive or negative?
2. Let's read a couple of Scriptures to gain some context: Ecclesiastes 3:1-8 and John 12:24-25. What theme stands out to you in these Scriptures?
3. If endings can be good and necessary for growth, then why do we resist and why is it so difficult when we try?
4. Paul tells the church in Ephesus, for the new to begin the old must first end. Read Ephesians 4:22-24 (NLT). Is there anything that God is clearly calling you to end?
